Outline of Ops School History

1. The history of the Office of Training from 1 July 1951 to 1 January 1966 will contain a chapter on the Operations School. Because you and the members of your staff are best qualified to determine the scope and organizational coverage that the Ops School should be given, I am asking you to have prepared an outline of the chapter.
2. The attached tentative outline of the chapter on the Intelligence School is intended to be suggestive; please don't feel that it must be a model, either in form or content.

3. Although separate monographs will be done on [redacted] and the JOT-CT Program, your outline should include coverage of the Ops School participation [redacted] activities and in the JOT-CT training.

4. Incidentally, you may wish to assign one of your staff members to work with me, both on the outline and on the later development of the text. I promise that I won't lure the guy into a full-time historical job.
